Dear Gene,

I want to express my appreciation for the important contribution you made to our Executive Seminar on 14 January. Your views on the development of leaders and the role of an executive leader were extremely helpful and valuable to our Senior Intelligence Officers. They commented very favorably on your enthusiasm, openness, and depth of knowledge on the subject of leadership.

I am grateful for the time and effort devoted to this endeavor and hope you will be willing to participate in future runnings of the Seminar.

Sincerely,

Director
